"Leadership is the lifting of a man's vision to higher sights, the raising of a man's performance to a higher standard, the building of a man's personality beyond its normal limitations."
Peter Drucker

"I couldn't believe how topical the modules were, they quoted current figures and the latest legislation.... heaps of work but well worth it."
Izza Buconi

Fact:

On average, employers are paying up to \$10,000 a year more in salaries for formally qualified applicants.

There is a lost opportunity cost for every year that achieving a qualification is delayed. Think about that – you could potentially earn an extra \$50,000 over the next five years with a qualification behind you.
