DUAL Diploma: CPC50308 Building & Construction (Management) & BSB51415 Project Management

CAL's "gold standard" nationally accredited Diploma of Building & Construction (Management) and Diploma of Project Management Qualification is fully recognised in Australia, plus highly respected worldwide.

CAL's Dual Diploma of Building & Construction (Management) and Diploma of Project Management is a program designed by industry professionals to be current and immediately relevant to your work. It combines the work practices well developed in the PM qualification with the Building & Construction Management qualification to provide you with an 'all round' best practice qualification duo that will give you a real and significant head start in pursuing a career in project and construction management!

"The course was well presented and easy to understand. I've been able to use the skills I learnt with CAL to improve my work processes and gain a qualification"

Jeff Daniels
