CPC50308 Diploma of Building & Construction (Management)

CAL's "gold standard" nationally accredited Diploma of Building and Construction (Management) Qualification CPC50308 is fully recognised in Australia, plus highly respected in Asia Pacific and worldwide.

This qualification has been developed and designed to enable you to successfully manage your work sites to a set process and give you valuable industry recognition.

10 video based modules which cover all 12 nationally accredited units:

CAL's Diploma of Building and Construction (Management) has been designed in consultation with industry experts to give you all the skills necessary to be a successful construction professional.

The skills taught within the course have been structured to give you superior flexibility when applying them in the workplace. After completion, you will be able to apply the knowledge and skill in a variety of workplaces and industries.

The program imparts all the key skills required to effectively manage large, complex projects and comprises the following nationally accredited units:

Accredited Course Units CPC50308

BSBFIM501 Manage budgets and financial plans

BSBHRM402 Support the recruitment, selection and induction of staff

BSBMGT517 Manage operational plan

BSBWHS503 Contribute to the systematic management of WHS risk

BSBWOR502 Lead and manage team effectiveness

BSBPMG516 Manage project information and communication

BSBCUS501 Manage quality customer service

BSBPMG514 Manage project costs

BSBPMG517 Manage project risk

BSBPMG513 Manage project quality

BSBMGT502 Manage people performance

BSBWOR501 Manage personal work priorities and professional development

"The course was well presented and easy to understand. I've been able to use the skills I learnt with CAL to improve my work processes and gain a qualification"

Jeff Daniels

Fact:

Qualified construction managers earn more and get promoted faster, than unqualified managers.

According to the 2015 Kelly Services Salary Guide, qualified Construction Managers earn between \$170K-\$250K with the average being \$200K.

Fact:

A growing industry, for those qualified to be construction managers.

According to joboutlook.gov.au an Australian Government initiative, future employment growth for construction managers is expected to be very strong with future job openings high.

Fact:

On average, employers are paying up to \$10,000 a year more in salaries for formally qualified applicants.

There is a lost opportunity cost for every year that achieving a qualification is delayed.

Think about that – you could potentially earn an extra \$50,000 over the next five years with a qualification behind you.
