As part of your course, it is compulsory to undertake, and provide third-party evidence for, some assessments in an eligible industry workplace. Students will be required to have access to your own eligible workplace, or an eligible host workplace, to successfully complete their qualification. What are the assessments?

There are no exams for the course. All assessments involve practical and job-ready applications based on your workplace or the case studies we provide. There are different assessment elements, including interactive simulation and role play activities. These activities are conducted with a Learning Coach and may need to be completed with others (e.g. coworkers, friends or family) in real-time through Zoom or in a pre-recorded video. Video assessments allow us to assess your interpersonal skills needed for management roles. This is an innovative method to engage with your learning by acting out crucial situations you would encounter in the workplace, in a safe environment with an industry expert. You'll be able to hone your new skills in real-time with your Learning Coach and get valuable feedback so you can confidently demonstrate your learning in the workplace.
