The course is 100% online and self-paced, so you can study on your own terms. What are the assessments?

There are no exams for the course. All assessments involve practical and job-ready applications based on your workplace or the case studies we provide. There are different assessment elements, including interactive simulation and role play activities. These activities are conducted with a Learning Coach and may need to be completed with others (e.g. coworkers, friends or family) in real-time through Zoom or in a pre-recorded video. Video assessments allow us to assess your interpersonal skills needed for management roles. This is an innovative method to engage with your learning by acting out crucial situations you would encounter in the workplace, in a safe environment with an industry expert. RPL AND CREDIT TRANSFER

Does CAL offer RPL and credit transfer?

If you're a highly experienced professional and currently hold an extensive level of knowledge, competence, and ability in your field, you may be eligible for RPL (recognition of prior learning). You can RPL particular units, or a whole course. To be successful in your RPL application, you'll need to provide comprehensive evidence of prior work experience, including workplace documents and strategies you've created.

We also offer credit transfers. If you've previously completed a unit(s) within the course you wish to enrol in, you may apply for a credit transfer so you don't have to complete the unit again. You can also apply for a credit transfer for a unit that you've completed that is not listed in the course you are enrolling but is in the training package.

For more information on RPL and credit transfers, please speak to one of our learning consultants.
