DIPLOMA

Diploma of Building & Construction (Management)

CAL's Diploma of Building and Construction (Management) will prepare you to manage a wide range of aspects within a construction business, with crucial skills in project management, resource coordination and financial management. You'll learn to lead WHS and risk management practices to ensure the work site is safe and how to ensure that your team members and contractors work together smoothly to stick to the project schedule and budget. These skills will prepare you for a stable career in both residential and commercial building and construction management, keeping you off the tools and future-proofing your career, working smarter - not harder.

In-demand skills you will learn:

- > Lead WHS and risk management to ensure the workplace is safe and workplace incidents are reduced
- > Manage project information to ensure seamless communication across all team members to promote efficiency
- > Manage finances and costing systems to ensure projects costs are managed effectively
- > Manage the application of building codes to ensure projects meet standards

Courses designed for success

We designed our courses to be aligned with industry expectations. We've consulted with industry professionals to deliver the skills that tomorrow's workforce needs today.

Focus on student experience

We take the time to understand your goals, providing personalised and flexible learning solutions driven by passionate mentors and support teams.

Committed to real outcomes

We're dedicated to making a difference in our students' lives. We focus on providing real outcomes, not just a piece of paper.

UNITS

A total of 15 units to achieve your Diploma

Outcomes

The Diploma of Building and Construction (Management) will set you up for long-term construction career growth as a confident and qualified construction manager. You'll develop transferable skills in project, risk, finance and contract management and be able to liaise between engineers, consultants, contractors and others working on the projects. You will be able to oversee work sites for construction and maintenance projects, coordinating site activities, ensuring that decisions and progress are aligned with the project goals and objectives. In addition, you'll be confident in estimating project costs and managing finances across the business, and be able to oversee the application of building codes to ensure projects meet standards.

With a strong foundation in construction management, some common career pathways are:

CONSTRUCTION FOREMAN	\$102,000
CONSTRUCTION MANAGER	\$108,000
ESTIMATING MANAGER	\$127,000

FAQs

COURSE REQUIREMENTS

Are there any prerequisites for the course?

Our students are required to be 18 years or older at the time of registration and demonstrate the required level of competency in English language, literacy and numeracy skills. If English isn't your first language, you may be asked to sit an LLN test to ensure you are suitable to undertake the course.

As part of your course, you will need to complete a workplace observation report signed by an employer along with workplace evidence for multiple units in this course. For example for the unit CPCBC5019 Manage building and construction business finances. To meet the criteria you must show evidence of managing the business finances for a building and construction business over at least six months, including at least one building and construction project.

The following criteria must be covered:

- manage business financial systems and processes schedule,
- monitor and process incoming and outgoing payments,
- manage budgeting,
- cash flow and debt recovery lodge monthly,
- quarterly or annual statements and pay tax and workplace liabilities for the registered business conduct a business financial risk assessment.

For more information regarding workplace requirements, please speak to our friendly Learning Consultants.

What IT requirements do I need to complete the course?

You will need regular access to a laptop, desktop computer or another device with an adequate and reliable internet connection, at least the equivalent of Microsoft Office or Office for Mac, with word-processing capabilities and spreadsheets and a PDF reader installed, full permissions to install and access third-party software as required. You will also need regular access to a laptop, desktop computer or device with an adequate camera to undertake

RECOGNITION

Where is this qualification recognised?

The College for Adult Learning is a Registered Training Organisation TOID 22228 and all of our Certificate IV and Diploma qualifications adhere to the Australian Qualification Framework (AQF). They are Nationally Recognised and internationally respected qualifications, issued on behalf of the Australian Government.

COURSE DELIVERY

How is the course delivered?

The course is 100% online and self-paced, so you can study on your own terms. Make your way through the units with clear tutorials, supporting content downloads, as well as regular checkpoints to test and strengthen your learning along the way.

What are the assessments?

There are no exams for the course. All assessments involve practical and job-ready applications based on your workplace or the case studies we provide. There are different assessment elements, including interactive simulation and role play activities. These activities are conducted with a Learning Coach and may need to be completed with others (e.g. coworkers, friends or family) in real-time through Zoom or in a pre-recorded video. Video assessments allow us to assess your interpersonal skills needed for management roles. This is an innovative method to engage with your learning by acting out crucial situations you would encounter in the workplace, in a safe environment with an industry expert. You'll be able to hone your new skills in real-time with your Learning Coach and get valuable feedback so you can confidently demonstrate your learning in the workplace.

FAQs

COURSE STRUCTURE

How long does the course take?

Our courses are completely self-paced, meaning you can study around your lifestyle. Depending on the time you commit and your learning style, studying part-time could see you complete the course in approximately 16 months. You'll have the freedom to study when it suits you with our generous 24-month enrolment period.

When can I start?

We have no restrictive intake periods, so you can start as soon as we've processed your course registration and official enrolment form. This is typically done in as little as two business days. We also have options to start your payment plan while delaying your course commencement date until you're ready to begin studying within three months.

SUPPORT

What support is provided?

All support is provided by CAL, you can book in coaching calls when you need them as well as send through support requests to be answered by our Learning Coaches and Student Success Advisors. You can even get quick answers from our Live Chat with Student Support.

I work full time, can I access my coach after hours?

Our coaches work late on selected nights of every week, so we are happy to book in after-hours calls. We have students across all timezones, so our Learning Coaches are conscious of accounting for time differences.

What if I fall behind?

Our courses are completely self-paced, so you don't need to keep up with a class or work to strict deadlines. As a CAL student, you'll receive an individual learning plan that is tailored to your study needs, this helps create structure and set guidelines to help you stay on track to complete your studies. We cater to adult learners and understand that life can sometimes get in the way, so if you find yourself falling behind, you can speak to our Student Support who will be able to advise you of all your options, revisit your learning plan, and help you get your study back on track.

PATHWAYS & OUTCOMES

Will I get a builders license?

To get a builders license, often you will need a Diploma of Building and Construction (Building) CPC50220 - it's a foundation-level diploma, focusing on the hammer-and-nail skills needed in building. While we don't offer that course, our course is a management qualification that aims to equip you with the skills you need to fast-track into supervisor or project manager roles in the construction industry.

What industries can I use this qualification in?

This diploma covers skills that are needed across multiple industries from:

- Commercial Construction
- Mining
- Residential Construction
- Civil Construction

Where can this diploma lead me?

Not only will this diploma help you become a qualified construction manager, it can also lead to pathways in:

- Contract Management
- Property Management
- Estimating
- Risk Management
- Work Health & Safety

RPL AND CREDIT TRANSFER

Does CAL offer RPL and credit transfer?

If you're a highly experienced professional and currently hold an extensive level of knowledge, competence, and ability in your field, you may be eligible for RPL (recognition of prior learning). You can RPL particular units, or a whole course. To be successful in your RPL application, you'll need to provide comprehensive evidence of prior work experience, including workplace documents and strategies you've created.

We also offer credit transfers. If you've previously completed a unit(s) within the course you wish to enrol in, you may apply for a credit transfer so you don't have to complete the unit again. You can also apply for a credit transfer for a unit that you've completed that is not listed in the course you are enrolling but is in the training package.

For more information on RPL and credit transfers, please speak to one of our learning consultants.

Why CAL?

We're committed to igniting real change by inspiring one student at a time and giving them the power to shape their own world.

The College for Adult Learning formed as a Registered Training Organisation (RTO) in 2009, founded by Helen Sabell and Rob Golding. They wanted to change the way we deliver adult education through dedication to outcomes-focused, practical training solutions with unparalleled support and flexibility.

They built the foundation for an RTO that is committed to making a difference and inspiring transformation through learning.

At CAL, we live by this in everything we do, from our unique flexible delivery to our bespoke content written in partnership with industry leaders, through to our hands-on and personalised approach to support.

Unlimited support

Throughout your studies with CAL, you'll have constant access to learning coaches and student support – via calls, live chats, emails, and support tickets.

Our learning coaches are experts in their industries and will assess and support you in your course learning. They're an invaluable resource for course-specific content, bouncing ideas around, and providing practical advice. Additionally, learning coaches are available for one-on-one coaching sessions (including some after-hours slots). You can book as many coaching calls as you want!

Our support team gives you a catch-all for all support queries that aren't content-specific. They're available to chat over the phone or on live chat between 9:00 am and 6:00 pm on weekdays. Have a support question outside these hours? Just submit a support ticket and our solution-oriented team will get back to you as soon as they can.

recommend CAL to people looking to progress their career

“Studying with CAL has [...] opened up doors for gaining better employment and wages for me. Struggling with surviving in my previous job, I decided to step out of the box and gain a higher qualification than I had. I applied for a new job and having started my course, this had a bearing on gaining the position I am now in.”

ROSALIND
