Are there any prerequisites for the course?

Our students are required to be 18 years or older at the time of registration and demonstrate the required level of competency in English language, literacy and numeracy skills. If English isn't your first language, you may be asked to sit an LLN test to ensure you are suitable to undertake the course.

What IT requirements do I need to complete the course?

You will need regular access to a laptop, desktop computer or another device with an adequate and reliable internet connection, at least the equivalent of Microsoft Office or Office for Mac, with word-processing capabilities and spreadsheets and a PDF reader installed, full permissions to install and access third-party software as required. You will also need regular access to a laptop, desktop computer or device with an adequate camera to undertake video calls for assessments as required.

COURSE STRUCTURE

How is the course delivered?

The course is 100% online and self-paced, so you can study on your own terms. Make your way through the units with clear tutorials, supporting content downloads, as well as regular checkpoints to test and strengthen your learning along the way. You'll complete a combination of quizzes, written activities, and practical assessment tasks to demonstrate your skills.

What are the assessments?

There are no exams for the course. All assessments involve practical and job-ready applications based on your workplace or the case studies we provide. There are different assessment elements, including interactive simulation and role play activities. These activities are conducted with a Learning Coach and may need to be completed with others (e.g. coworkers, friends or family) in real-time through Zoom or in a pre-recorded video. Video assessments allow us to assess your interpersonal skills needed for management roles. This is an innovative method to engage with your learning by acting out crucial situations you would encounter in the workplace, in a safe environment with an industry expert. You'll be able to hone your new skills in real-time with your Learning Coach and get valuable feedback so you can confidently demonstrate your learning in the workplace.

FAQs

COURSE STRUCTURE

How long does the course take?

Our courses are completely self-paced, meaning you can study around your lifestyle. No strict deadlines, no inflexible classes to work around, no pressure to work to someone else's schedule. Depending on the time you commit and your learning style, studying part-time could see you complete the course in approximately 16 months. You'll have the freedom to study when it suits you with our generous 24-month enrolment period.

When can I start?

We have no restrictive intake periods, so you can start as soon as we've processed your course registration and official enrolment form. This is typically done in as little as two business days. We also have options to start your payment plan while delaying your course commencement date until you're ready to begin studying within three months.

What if I fall behind?

Our courses are completely self-paced, so you don't need to keep up with a class or work to strict deadlines. As a CAL student, you'll receive an individual learning plan that is tailored to your study needs, this helps create structure and set guidelines to help you stay on track to complete your studies. We cater to adult learners and understand that life can sometimes get in the way, so if you find yourself falling behind, you can speak to our Student Support who will be able to advise you of all your options, revisit your learning plan, and help you get your study back on track.

What support is provided?

All support is provided by CAL, you can book in coaching calls when you need them as well as send through support requests to be answered by our Learning Coaches and Student Success Advisors. You can even get quick answers from our Live Chat with Student Support.

RPL AND CREDIT TRANSFER

Does CAL offer RPL and credit transfer?

If you're a highly experienced professional and currently hold an extensive level of knowledge, competence, and ability in your field, you may be eligible for RPL (recognition of prior learning). You can RPL particular units, or a whole course. To be successful in your RPL application, you'll need to provide comprehensive evidence of prior work experience, including workplace documents and strategies you've created.

We also offer credit transfers. If you've previously completed a unit(s) within the course you wish to enrol in, you may apply for a credit transfer so you don't have to complete the unit again. You can also apply for a credit transfer for a unit that you've completed that is not listed in the course you are enrolling but is in the training package.

For more information on RPL and credit transfers, please speak to one of our learning consultants.
