What are the assessments?

There are no exams for the course. All assessments involve practical and job-ready applications based on your workplace or the case studies we provide. There are different assessment elements, including interactive simulation and role play activities. These activities are conducted with a Learning Coach and may need to be completed with others (e.g. coworkers, friends or family) in real-time through Zoom or in a pre-recorded video. Video assessments allow us to assess your interpersonal skills needed for management roles. This is an innovative method to engage with your learning by acting out crucial situations you would encounter in the workplace, in a safe environment with an industry expert. When can I start?

We have no restrictive intake periods, so you can start as soon as we've processed your course registration and official enrolment form. This is typically done in as little as two business days. What if I fall behind?

Our courses are completely self-paced, so you don't need to keep up with a class or work to strict deadlines. As a CAL student, you'll receive an individual learning plan that is tailored to your study needs, this helps create structure and set guidelines to help you stay on track to complete your studies. We cater to adult learners and understand that life can sometimes get in the way, so if you find yourself falling behind, you can speak to our Student Support who will be able to advise you of all your options, revisit your learning plan, and help you get your study back on track.

RPL AND CREDIT TRANSFER

Does CAL offer RPL and credit transfer?

If you're a highly experienced professional and currently hold an extensive level of knowledge, competence, and ability in your field, you may be eligible for RPL (recognition of prior learning). You can RPL particular units, or a whole course. To be successful in your RPL application, you'll need to provide comprehensive evidence of prior work experience, including workplace documents and strategies you've created.

We also offer credit transfers. If you've previously completed a unit(s) within the course you wish to enrol in, you may apply for a credit transfer so you don't have to complete the unit again. You can also apply for a credit transfer for a unit that you've completed that is not listed in the course you are enrolling but is in the training package.

For more information on RPL and credit transfers, please speak to one of our learning consultants.

They built the foundation for an RTO that is committed to making a difference and inspiring transformation through learning.

At CAL, we live by this in everything we do, from our unique flexible delivery to our bespoke content written in partnership with industry leaders, through to our hands-on and personalised approach to support.
