SCOPE

This policy is applicable to all CAL students, prospective students, and other approved stakeholders.

DEFINITIONS

Complaint: A person's expression of dissatisfaction with any service provided by CAL.

Appeal: A request to review a decision that has previously been made.

POLICY STATEMENT

CAL will address any, and all, complaints in a fair, constructive, and timely manner. The complainant has the right for their complaint to be heard and for an impartial decision to be made. All complaints will be treated confidentially.

If a formal complaint proceeds, it will be taken seriously and investigated in an impartial manner.

A candidate's progress through a study program will not be disrupted whilst a complaint is being heard unless the nature of the issue itself means further progress is not possible.

Any substantiated complaints, as well as the complaints policy, will be reviewed as part of the continuous improvement process.

Complainants also have the right to appeal a decision. The College Principal & CEO, in consultation with the assessor/coach involved, will review the initial assessment, or uphold the decision or proposed an alternate assessment. Any alternate assessment will be undertaken by another assessor.
